

**2011**  
***Leaders in Giving***

## **Our Mission**

Our United Way leads in uniting the community to bring together resources to identify and effectively address our community's most vital human needs.

### **United Way of Forsyth County**

The organization we know today as United Way of Forsyth County was organized in 1923 under the banner of the Community Chest. The Community Chest of Forsyth County federated the finances of twenty local health and welfare organizations, raising the money in one annual campaign and distributing it according to need among its member organizations. The Community Chest's campaigns were called "Red Feather" drives. The first Community Chest goal was \$28,000 with \$38,215 actually raised.

Over the decades that followed, the name of the organization changed as has our mission. In 1951, the Community Chest became the United Fund of Winston-Salem and Forsyth County. In 1974, the United Fund adopted the name still in use today: United Way of Forsyth County.

Our mission has evolved from being a community fundraiser in support of a family of partner agencies to one of addressing the root causes of our community's most critical human issues while still supporting a safety net of services for those in immediate need.

The 2010 Campaign, led by Dr. Nathan O. Hatch, president of Wake Forest University, raised \$17,325,153 in a difficult economic environment. Over 400 organizations and more than 40,000 individuals participated in the 2010 Campaign.

# Leaders in Giving

Dear Friend,

Thank you for your generous gift. As a Leadership Circle giver, you are among our community's most charitable philanthropists.

Because of you, more young men and women will graduate from high school. Families will become more financially secure through new or better jobs. Your gift will help improve health in our community and reduce family violence. And of particular importance in these difficult times, it will strengthen United Way's support of programs providing basic needs such as food, clothing, and shelter.

On behalf of United Way, its partner agencies, and the tens of thousands served annually, we are grateful for your generosity.

Dr. Nathan Hatch  
2010 Campaign Chair

John Burrese  
2010 Tocqueville Leadership Society Chair

## **The Leadership Circle**

Dr. Thomas K. Hearn, Jr., then president of Wake Forest University, initiated the Leadership Circle in 1986. His goal was to increase the involvement of professionals in addressing human service needs through United Way of Forsyth County. In its first year, the Leadership Circle had 400 members and gave \$550,000 to United Way.

The Leadership Circle has grown dramatically since its inception. In 2010, 4,045 members gave a total of \$8,387,644, a three percent increase and 48 percent of the overall campaign. Giving by Leadership Circle members comprised 68 percent of all employee and individual giving.

United Way of Forsyth County is pleased to acknowledge the philanthropy of our Leadership Circle givers. Their substantial investment in our community is advancing the common good by creating real, long-lasting change that will prevent many problems from occurring in the first place.

## The Women's Leadership Council

The mission of the Women's Leadership Council is to engage, educate and empower women to make a positive impact in Forsyth County. The Women's Leadership Council's mission is generously supported by a \$1 million grant from the Reynolds American Foundation which allows new members access to matching funds totaling \$200,000 annually for five years. In 2010, the Women's Leadership Council grew to 880 members and raised \$400,000 in addition to the \$200,000 R.J. Reynolds Foundation match. Jean Adams of Womble Carlyle Sandridge & Rice chaired the Council.

The Women's Leadership Council is aligned with Graduating Our Future, United Way's "breakthrough initiative" to improve the high school graduation rate to 90 percent by 2018 and supports successful programs at Philo Magnet Academy, East Forsyth Middle School and Mineral Springs Middle School.

While the United Way benefits each year from the women in this community who support all of our work, the Women's Leadership Council provides a more focused approach designed to deal with specific issues. To acknowledge their support, members are listed in the Women's Leadership Council booklet and are also identified in Leaders in Giving by the *w* following their names. We are most grateful to them for their generous, caring spirit demonstrated by joining us in this new endeavor to improve the quality of life for all in our community.

## The Tocqueville Leadership Society

The Tocqueville Leadership Society is named for the French historian and author who came to America in 1831 and praised the Americans for voluntarily assisting their neighbors in times of need. The desire to recognize individuals who exemplify this spirit of volunteerism for the common good prompted United Way of America to create the national Tocqueville Leadership Society in 1972 and name it after the young French aristocrat.

In 1985, John Burrell and Paul Fulton co-founded the local chapter of the Tocqueville Leadership Society for individuals contributing \$10,000 a year or more to the United Way of Forsyth County. In 2010, 207 members of the Tocqueville Leadership Society contributed over \$3.3 million to the United Way campaign. Many also attended the Tocqueville Leadership Society Forums designed to inform them about specific aspects of United Way's Community Impact mission and to gain their valuable input.

*“When Americans ask for the cooperation of their fellow citizens, it is seldom refused; and I have often seen it afforded spontaneously and with great good will.”*

- Alexis de Tocqueville

# The Paul Fulton Tocqueville Leadership Society Award

The Paul Fulton Tocqueville Leadership Society Award is presented annually by the Society to an outstanding volunteer who has exemplified untiring commitment, visionary leadership, resourcefulness and creativity in meeting the needs of our community.

2011 Recipient

## R. Michael Wells, Sr.

Wells is the senior partner at Wells Jenkins Lucas and Jenkins, a highly-regarded local law firm. He has been recognized as a “super lawyer” for four of the past five years and chosen by Triad Business Magazine as one of the most influential people in the Triad for the past four years.

Mike has creatively used his knowledge and position to impact the lives of many in Forsyth County.

He shares his expertise via a weekly public service call-in radio show — “You and the Law” —on WSJS and on “What I Learned on the Way to the Courthouse” on WFDD, the national NPR affiliate. His WSJS program opens with the William Tell Overture, so he’s sometimes known there as the “Lone Lawyer.”

Mike writes a monthly column on legal issues for the Winston-Salem Journal and conducts courtesy seminars

on important legal topics through his partnership with the Forsyth County Public Library and the Shepherds Center.

Mike is an active member of Rotary.

He has led our United Way of Forsyth County as board chair for the past two years and served as United Way Campaign Chair in 2006. “Mike’s March,” as the campaign was promoted in the Winston-Salem Journal, raised \$17,423,596, the second highest total ever in our community.

Mike’s favorite volunteer activity is tutoring high school students who are at risk of dropping out school and volunteering legal advice to “at risk” citizens on common legal issues.

He is an active member of Ardmore Baptist Church.

He and his wife Janet have been married for 40 years, and have three children and two grandchildren.

# Young Leaders United

Young Leaders United (YLU) is Forsyth County 18-40 year olds who demonstrate leadership by helping to make lasting positive changes in our community. The group's mission is to promote and encourage the spirit of philanthropy and volunteerism among young people in Forsyth County. YLU is committed to supporting United Way in its efforts to provide time and financial resources where they are needed most in our community.

Young Leaders are committed to their motto — **250.24.1** — which equates to an annual gift of \$250 and a commitment to volunteer 24 hours annually by one individual. In 2010, more than 400 Young Leaders took the pledge, raising more than \$250,000.
