## Community Impact Fund: The Way to LIVE UNITED!

United Way collaborates with its 34 partner agencies and other community partners to provide a safety net of basic needs like food, shelter, and job training to those facing immediate crisis. Over just the past year, United Way-funded programs:

- Fed more than 1.2 million meals to the hungry
- Provided over 53,000 nights of shelter for those who otherwise had nowhere to go
- Provided job retraining to more than 1,100 men and women. 430 got new jobs.
- Partnered with the Kate B. Reynolds Poor and Needy Trust and the Winston-Salem Foundation to create a \$300,000 basic needs fund and to establish a single process to handle emergency requests for things like food and shelter

United Way's long-term goal is to help prevent problems from happening in the first place. That's why it's focusing on the building blocks for a good life: Financial Stability, Health and Education. To change lives for the better today and tomorrow, please give generously.
