

Project Name	Description	Supply List	# of Volunteers	Volunteer Instructions	Budget	Location
Infant & Toddler Porch Project	We want to transform this area into an outdoor play space so our students can be outside when it's raining or when a shaded area is preferable to the hot sun. We have used grant dollars to purchase a few items for the space and need volunteers to assist with the assembly and set up of the area. In addition, we have included accessible items in the supply list that we would also like to include but do not have current funding to support the purchase. Additionally, we have reusable stencils that can be added to the concrete for play.	Tikes Tables, Outdoor Paint and Paint Supplies, Storage Benches, Outdoor Carpet, Small Accessible Play Toys	8 - 10	Wear comfortable clothes and shoes	\$2,100	Children's Center
Swing Playground Project	We just added a new soft play surface to our swing playground. We have used grant dollars to purchase a few items for the space and need volunteers to assist with the assembly and set up of the area. In addition, we have included items in the supply list that we would also like to include but do not have current funding to support the purchase. General outdoor beautification is also needed.	Adaptive Swing, Picnic Tables with Umbrella (2), Mini Merry Go Cycle, Outdoor Paint and Paint Supplies, Storage Benches (2)	8-10	Wear comfortable clothes and shoes	\$2,993	Children's Center
Infant & Toddler Playground Project	This outdoor learning space needs a little T-L-C. We would like volunteers to assist with the cleanup of the space, including some beautification and weeding. We also need to upgrade our independent learning toys - including ride-on toys - so we can use our track to teach safety skills. A recent grant allowed us to update our ride-on cars and we need volunteer assistance with the assembly of new toys. General outdoor beautification is also needed.  In addition, our Infant & Toddler playground windows face out onto the playground. COVID-19 has forced us to look at how our students interact with visitors at our school; unfortunately, we can have little in-person interaction. BUT - that does not mean we cannot see our friends and what better way than a puppet show! We are looking volunteers to purchase hand puppets and provide some classic entertainment to our students. Though students will not be able to hear any dialogue through the window, we can match the action up with a few songs to play inside.	Ready to Ride Trike Pack, Puppets	8 - 10	Wear comfortable clothes and shoes	\$2,680	Children's Center
Garden Playground Project	We recently received a grant to purchase reusable playground stencils and we need a team to paint them on our outdoor place spaces. These movement-based games and activities provide fun and engaging sensory, fitness and socialization opportunities for students of all ages. General outdoor beautification is also needed.	50 bales of pine needles (\$250); Outdoor Paint and Supplies	10 - 12	Wear comfortable clothes and shoes	\$1,250	Children's Center
Pre-K and School Age Playground Paint Projects	We recently received a grant to purchase reusable playground stencils and we need a team to paint them on our outdoor place spaces. These movement-based games and activities provide fun and engaging sensory, fitness and socialization opportunities for students of all ages. General outdoor beautification is also needed.	Outdoor Paint and Paint Supplies, Accessible Learning Toys	10 - 12	Wear comfortable clothes and shoes	\$2,750	Children's Center
Pre-K (1) and (2) Playground Project	We recently received a grant to purchase reusable playground stencils and we need a team to paint them on our outdoor place spaces. These movement-based games and activities provide fun and engaging sensory, fitness and socialization opportunities for students of all ages. In addition, we have included accessible items in the supply list that we would also like to include but do not have current funding to support the purchase.	Outdoor Paint and Paint Supplies, Accessible Learning Toys	12 - 20	Wear comfortable clothes and shoes	\$2,960	Special Children's School
School-Age and Sensory Garden Playground Projects	We recently received a grant to purchase reusable playground stencils and we need a team to paint them on our outdoor place spaces. These movement-based games and activities provide fun and engaging sensory, fitness and socialization opportunities for students of all ages. In addition, we have included accessible items in the supply list that we would also like to include but do not have current funding to support the purchase. We have a particular interest in adding outdoor music stations to the school-age space.	Outdoor Paint and Paint Supplies, Accessible Learning Toys	10 - 12	Wear comfortable clothes and shoes	\$2,600	Special Children's School
