Words of Gratitude

"Dear Truist WLC,

Please accept our sincere gratitude for including The Salvation Army in your 'Book in a Bag' project. Thank you for making a difference by sowing books into these children's lives"

Updates in Education

Did you know that an estimated 5,000 children in Forsyth County were not engaged in virtual learning in the Spring of 2020?

Thankfully, the United Way and its partner agencies have created ways for children to increase virtual learning engagement by providing extended tutoring hours and establishing remote learning centers throughout Forsyth County.

Because of support like yours, our organization is poised to quickly respond to the most critical and immediate needs in the community.

What's New This Campaign Season

This year, The United Way and our partner agencies are needing support more than ever. That is why we have partnered with several car dealerships in Forsyth County to hold a car giveaway during this campaign season.

For every \$100 donated or pledged to the United Way, you will receive an entry to win a car worth \$25,000. You can enter up to 10 times (\$1,000 donated). Please reach out to Brittany Wissick for more information.
